

Application for Lease of Earthen Material on State Tax Forfeited Lands

As directed by the county board, the county auditor may lease tax forfeited land for the purpose of taking and removing sand and gravel, pursuant to Minn. Stat. § 282.04 Subdivision 1 (d). Any lease involving a consideration of more than \$12,000 per year, except to an organized subdivision of the state, shall first be offered at public sale. Approval may take up to six weeks.

Please complete this form and send it to the Land and Minerals Area Office which administers the requested pit. Contact information is available on line at <http://www.stlouiscountymn.gov/GOVERNMENT/DepartmentsAgencies/LandMinerals.aspx>.

NOTE: All material is offered as is, where is. The applicant is responsible for determining if the material requested is suitable for the intended use.
