

Pumpkin Grower Virtual Meet Up

Date: Wednesday, November 11, 2020

Time: 6:00 pm – 7:00 pm CST

Join the University of Minnesota Extension and fellow pumpkin growers for a discussion of the 2020 pumpkin season. Get ideas for next year, learn about squash mosaic virus management, and see results from the pumpkin variety trials. This will be an informal and interactive discussion.

Agenda:

Pumpkin Variety Trial Results: Elmstrand's 2019 and Haufbauer's 2020 (*Annie Klodd, UMN Extension Educator, Fruit and Vegetable Production*)

Squash Mosaic Virus (*Natalie Hoidal, UMN Extension Educator, Vegetable Production and Local Foods*)

Grower Open Discussion

- How did the season go overall
- Varieties that worked out well
- New varieties growers are trying out
- Problems - Weather? Diseases?
- Did anyone try anything new this year?
- Ideas for research
- Thoughts for next year
